

# Audience Testing

## Tasks

- Sign up for an account with the Task Manager website
- Add a sticky note widget to your dashboard
- Edit the content of the sticky note to something random you want to say
- Customize the look of the sticky note
- Customize the look of the dashboard to your liking
- Peruse the other features available

## Feedback

- What was your initial impression of this website?
- What did you think the purpose of this website was? What did you think it would be used for?
- Would you have wanted to sign up and use this website's features?
- Was it confusing to navigate your way around the site?
- Was it easy to customize the dashboard/widgets to your liking?
- Do you have any suggestions or other comments?
